ABOUT *us*

Founded Ice & co in 2009 has always had the aim to satisfy the needs of his customers with an high quality selection of ingredients for Gelato and pastry. We are always looking for the best ingredients for the artisanal Gelato's preparation, listening the Gelato makers's needs we create a customised base for ice cream.

Our team will help you for everything you need. We don't have any secrets, so we establish a clear relationship with our customers, infact we offer:

- advice and assistant to find the best solution for each request
- information about the project's development
- delivery products
- after-sales service

Working every day with effort and passion we guarantee seriousness, safety and professionalism.

OUR SPECIALITIES

Mixing selected and certificated ingredients, our team have created some innovative recipes for artisanal laboratory respecting **italian gelato's tradition**.

MILK BASES

To create our range of ice-cream bases, we use 100% natural ingredients.

For the most demanding ice-cream makers, we have created ice-cream bases **vegetable fats free**, with particular focus on our three bases NATURA, TRADIZIONE and INNOVAZIONE.

NATURA 100 BASE:

A very delicate fiordilatte with vanilla notes that exalts the taste of the ice-cream.

The thickeners are all natural: tara and xanthan gum.

The list of ingredients is very easy to communicate to customers.

TRADIZIONE 150 BASE:

A faithful base to tradition, **aromas free**. The result is a soft, creamy fiordilatte.

A very simple label with only 4 ingredients.

INNOVAZIONE 100 BASE:

A well-balanced base with a particular feature: to be **thickeners free base**.

An innovative ice-cream with an intense taste of fresh milk created for the ice cream makers of tomorrow.

WELLNESS LIFE WITH STEVIA:

A ready-to-use preparation enriched with vegetable fibres and sweeteners free.

The result is a very healthy and genuine ice-cream with Stevia.
